

Term 2

Fox Class

Do You Dare To Tickle A Bear?

This term Reception children began finding out how some Muslim children celebrate Diwali, The Festival of Light. Your children listened to the story of Rama and Sita and made lots of creative things related to the story. They made up their own movements using four different elements of dance to a piece of Bhangra music. The children really enjoyed exploring clay and using it to make their own Diya lamps. They painted these and decorated them. Some children made Rangoli patterns, which were really colourful. You may have received a Diwali card if your child chose to make one during our learning activity time.

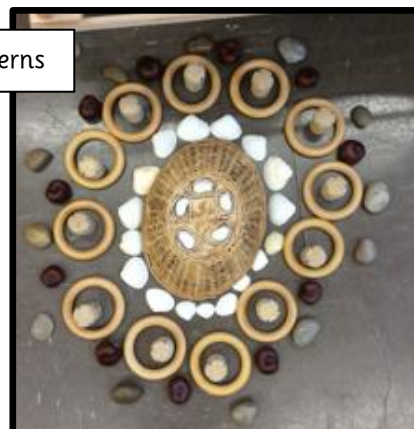

Class 6 then spent the rest of the term learning about the story, 'We Are Going on a Bear Hunt'. They have loved retelling this story and can remember it all word for word! The class have been using adjectives to describe some of the characters and some of the story settings. The children used this to help them make their own Bear Hunt story to share with another class. They choosing different places around the school and thought of adjectives to describe them to use in their story. We were not sure if we would be brave enough to go into a dark, gloomy cave to tickle a bear!

We have worked so hard on our Christmas Nativity Carol Concert this term. We had so many songs to learn and lots of actions to help us. We hope you all enjoyed it and we look forward to seeing you all in the New Year.
